Have you noticed how "leave is sacrosanct" applies to us, but not to Dad?

## ...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

...who called him?

Oh, duh. Nobody. *He* called Mom. And there was no way she could make herself say, "Yeah, everything's great, we're just, you know, sittin' around the office."

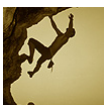

Unless Cilantro tipped him off, hoping he'd come out and get himself killed? Nah. Then we'd report directly to him, and it'd drive him nuts.

Bcause you're in a car with Dad!

You must admit my on-the-job parkour at the Ballard Locks was splendid. Ultimately futile, but splendid.

The thing is, all the tourists will now go home and tell everybody about the barefoot guy in a suit who does gymnastics. They'll think it's a daily thing. And generations of children will be disappointed.

Wasn't barefoot. They now make worksafe vans!

The tailoring on the suit pants may have suffered a little....

You need special 10% lycra spandex suit fabric. Like they use for making movie action-guy suits. \*g\*
